THE LOG

K-W NAVAL ASSOCIATION
MARCH – APRIL 2009

FROM THE TOP

Shipmates:

Well we are 2 months through the New Year and elections will be coming up shortly. I hope we have a long slate of members wanting to run this time. I'm getting tired of hearing complaints on the job they are doing. It is so easy to sit back and criticize. Maybe they should come up front and take a position on the Director's side and see how things run. Enough of that for now.

You will notice we no longer have the Crystal on tap. Labatts has discontinued that product. We will be adding 3 new brands, Keiths Amber, Budweiser and Stella Lite. We will also soon be selling 20 oz. glasses of draught.

Our rental hall has picked up, thanks to a singles group using our hall. This is bringing in good revenue. With that our glass washer in the rental hall is giving up the ghost and will be replaced by the main bar washer, which will get a new one. We are also looking at refinishing the dance floor as it is looking pretty crappy.

A new copy machine has replaced the old one in the office. The old one is in the board room and still can be used for now. Please note, the new copier is off limits for general use, you must use the old one. Only Officers are allowed to gain entrance to the Ships Office. Bartenders have been told no keys are to be given out for entrance without an Officers assent. The office should be kept private.

The Battle of Atlantic is coming up on May 2nd. Please plan to attend. Check with Terri-Leigh Saunders for more details.

We welcome our new Master at Arms, Steve Mann, to replace John Coxon for the time being.

Enough for now. Remember, flapping lips sink ships. Keep them zipped if you have nothing nice to say.

PAST PRESIDENT'S REPORT

Report from the south. Everyone I have seen from the club, Mamie, John Fraser, Murray Flood, Lynn Jacobs and Eddie, are all fine and are enjoying the weather. We did have a few cold days but overall the weather has been great. I looked for sympathy letters when our temperatures dipped to the 30's but then yours were a lot lower and anyway, I know where sympathy is in the dictionary. I have had the whole family here through January and February, last to leave was Feb. 16. Even Mamie, Lynn and Eddie made the trip to the beach to visit. We managed to go to Legion Post 305 on St. Pete Beach when Mamie was down and she visited with some friends.

I understand there was a rental hall issue and your executive have dealt with that and that the singles dances are progressing well providing much welcomed income for the hall.

Congratulations to Jack Gough on his award from the City of Waterloo, sorry we couldn't be there Jack. Certainly well deserved.

That's it from the south, see you in March.

MIKE EDWARDS**

Thank you to everyone who came out to the club for our New Year's Eve Pot Luck Party. It was well attended, great food and a good time by all. Thank you to everyone who donated food for the event and helped in getting the food set up and keeping it hot.

With spring just around the corner (honest) it is time to start thinking ahead to the club's St. Patrick's Day Jiggs Dinner which will be held on Sunday, March 15 from 3:00 PM to 7:00 PM. Dinner will be served at 4:30 PM. We will again be having the Irish Dancers from the Doyle Academy of Irish Dance which will be starting around 3:30 PM to 4:15 PM. Come on out and have a great day of fun, food and dance and celebrate St. Patrick's Day.

WAYS AND MEANS

Fellow Shipmates & Friends, this past winter has been challenging and as well our economy. First we'd like to thank all of our volunteers that each week come out & assist with not only participating, but helping to set up for the events! It is very much appreciated! Also, a " BIG " thank you to Marilyn Babcock for having food at our events!

I have listened to a lot of great feedback and suggestions concerning our Saturday afternoon events that you regularly participate, I listen! We ask you to invite others to help fill the clubroom and enjoy a great, enjoyable afternoon with us! Some changes were suggested and with the amount of feedback, all events will remain starting at 3:00 PM! Starting in March, horse races every Saturday, Looney Meat Draws twice a month!

The need for volunteers to help out is still needed! With your great support, we can fill the clubroom!! Your participation, assistance and friendship is appreciated! If you haven't come out for awhile, please do. We miss you!

**WAYS & MEANS DIRECTOR
BRENT JANTZI**

SICK AND VISITING

Since our last Log several members have lost loved ones. Our condolences go out to Dennis Saunders and family for the loss of Wife, Mother and Grandmother. To the families of members Urban Ditner and George Clement who passed away in January. To Jim Bowes on the loss of younger sister Mary. To Ross Hendry for the loss of his Mother.

Now the nitty gritty of my report, which had better not be as long as last Log. From what I understand the Club may go broke for the increased cost of my rambling on about a lot of things. From now on, no more doggie reports, especially about my kids' dogs.

I guess I should just put a short blurb about two Jims who are sick, Larry is sick and Myles. Doesn't seem right. So as Jack Webb from Dragnet used to say , "Just the facts Man, just the facts."

I was finally able to catch up with John Coxon about a week and a half ago and since then he has gone through heart bypass surgery and is still in ICU so visitors are limited. Heather says things went well for John. Hopefully it won't be too long before we see him at the Club.

Bob (The Bear) Dietrich is going through a very rough time just now and does not feel up to a visit. I spoke to him on the phone when he was first aware of his condition and he sounded okay. Things have changed since then and I hope I can get around for a visit.

I think most of the Members know that Myles Chapelle had his left leg amputated just above the knee. I visited him while he was in KW Hospital and it was pretty hard on him. He has now been moved to Freeport for further recovery and for a prosthesis. I will visit him next week.

Around to see Jim Logel last week and he was getting ready for another Caribbean Cruise. He was on extra antibiotics to help him over the cold. I believe they left on the 13th of February. He was gung-ho to get going and he was looking good. All the best, Jim.

Jim Bowes and Larry Boyle are both managing and not too much change. Jim was seeing double for awhile. I haven't got back to him, although I think he was to be checked out. Larry is glad to get the Log through the mail.

Since the last Log, Gary Moore has had a partial knee replacement and is doing ok. I saw him down at Timmy's one day last week.

Ron Herter is doing great after cataract surgery a couple of weeks ago. He hopes to get his driver's license back in the near future.

My Brother-in-Law, Lorne Kramer, had his one eye done yesterday and hopes to improve his night driving.

Keep in mind those of the Club who are going through a very hard time health wise.

**SICK & VISITING DIRECTOR
DON BALCARRAS**

SERVICE OFFICER

Members of the K.W.N.A. I would like to thank you on the great turnout at the City of Waterloo town hall held in my honor as a forty year volunteer and for hosting the celebration. Marilyn Babcock and the Ladies did their usual great job. I had my Ringette Team and coaches there, most of the Ringette Executive, three Legion Presidents, arena attendants, a referee and my family. Some of the Councilors came to the reception and remarked what a great Club we have. It made me very proud to have such great friends. Thanks again.

President Bob Miller and I will be attending the Warspite Cadet Annual Review on February 19 and the Poppy Fund Poems and Picture Awards night at the Polish 412 Legion. The picture and poems the school children submit are excellent. It's open to the public and well worth a look at their efforts.

I have talked to Rev. Paul Ellingham, and we will be going to Bloomingdale as the Church we were to attend to support Paul had a prior commitment on the day we hold are Church Parade (April 26). It also gives us the opportunity to thank the Bloomingdale Congregation.

Our condolences to Dennis Saunders and family on the passing of his wife Doris Saunders.

JACK GOUGH**

LADIES AUXILIARY PRESIDENT'S REPORT

Hi Ladies. January general meeting was a little light in attendance but it was good to see the ladies that were able to make it out on such a cold night. Of course, we are missing some ladies because they are in the sunny south catching some warm rays. Sure can't blame them for that.

Monday, January 26, 2009 marked a proud day for Jack Gough. The City of Waterloo presented Jack with a certificate and pin in recognition of 40 YEARS of Community Service. The event was very well attended by many Club members, Ringette members, family and friends alike to congratulate Jack. We are all very proud of you Jack, for all you do and all that you represent. Congratulations Jack on behalf of the Ladies Auxiliary. We all love you.

Happy Valentine's Day to all on February 14th. Give someone a hug.

K-W Sailor Girls "Relay for Life" Team would like to thank all of our supporters for participating in our Friday Night 50/50 Draw. As of February 6th the total raised so far is \$1,106.10. The figure may sound strange, however, some of our team members have been contributing their earned gratuities as well.

As an added fundraiser we will be holding a "Ladies Only" event on Sunday April 26 featuring ELVIS. Tickets are available at the bar at a cost of \$20. Time of event is 2 PM to 5 PM. There will be multiple door prizes and a light lunch will be provided. So don't miss out on a great afternoon, ladies. We are hoping to fill the rental hall.

Sunday April 26th is also the Battle of the Atlantic Bloomingdale Church Parade. Please see calendar and or Pomp & Circumstance report for further information.

The Battle of the Atlantic Banquet on Saturday May 2 will be catered by the Ladies Auxiliary. We will be looking for volunteers to help out that evening. If you can lend a hand, please see myself or Marilyn Babcock.

SICK & VISITING

Hi Everyone,

I don't have too much to report at this time except Lillian Boehm was not well but is better now. Mary Schaefer had a nasty fall and broke one of her ribs. Both ladies have since recovered.

Last but not least I hope, I had a bad cold which I caught from my wonderful husband who shares everything with me. Oh well, stay well ladies and God bless.

SOCIAL

Happy Birthday to you if your special day is in March or April.

In January, Jennifer from Epicure got us to sample some of her delicious sauces. In February, Sandy from "Mom on the Go" allowed us to do some shopping without having to go out of our home.

We will be having bid euchre March 12 & 26 and April 2 & 16. The change for April is due to our Executive Meeting. If you would like to learn how to play, we would like to teach you.

Thank you so much for your jokes. If you would like a special event at our meeting please do not hesitate to let me know.

THE GALLEY

A thank you to everyone who has helped in the Galley. The Saturday breakfasts and Wednesday Spaghetti Nights are doing great. The sandwiches at lunch time are selling like hot cakes. Thanks to Karin Beutler and Charlene Wastell for coming in after their hard day at work to make them. Thank you to everyone who buys the sandwiches.

Charlene has set up a schedule for Thursdays for peeling potatoes and dicing onions for breakfast. If you can help for 2 – 3 hours once a month or every other month, please let Charlene know.

Gloria Douglas made turkey pies last Thursday and before they were out of the oven people wanted them. They were sold out in one day. Thank you so much, Gloria, for making our pies.

On Saturday, March 7th we are having members from the Navy Club in Woodstock coming by bus to our club. We will be serving hot beef on a bun, fries & coleslaw for \$5.00. This will also be available for anyone in our club also.

We are doing the banquet for the Monday night dart players on Saturday, May 9th. John and Charlene Wastell will be doing a special Friday night dinner once a month. On February 27th they will be having liver and onions with our regular fish and chips.

Thanks again for supporting our Galley.

**VICE PRESIDENT
MARILYN BABCOCK**

To all of our loyal customers at lunch time, we wish to extend our many thanks for your support over the years. We are sorry that we have had to close at lunch but sandwiches, fresh daily, are always available at the bar with a variety to choose from.

The Galley has been very busy for the start of the year and we are always looking for a helping hand. So if you can pitch in, even to do some KP duty, we would appreciate it. Don't forget MEN are also welcome to help out.
