THE LOG

K-W NAVAL ASSOCIATION
NOVEMBER – DECEMBER 2008

FROM THE TOP

Shipmates:

It's hard to believe that this year is going by so fast. Soon we will be shoveling snow and singing Jingle Bells.

I have to thank our officers and directors for the great work they have done this past year. These people are very important to this club and we all appreciate it.

This year was sort of a bummer with bar sales down once again. We have a top club but if membership does not come in and support we could have problems.

New items are once again needed, like a new glass washer to replace the washer in the rental hall plus replacing outdated refrigeration in the rental hall. Our rentals were up quite a bit this year and this must be maintained.

This coming November will be very busy starting with the Veterans Memorial Service on November 9 at 9:00 a.m. followed by Branch 530 Church Service and then off to Elmira for their Remembrance Service. On November 10 is the Branch 530 Remembrance Dinner, followed by the wreath laying at the cemetery on November 11 at 8:00 followed by the service. Please attend.

Our 50/50 draw has grown quite a lot this past month, which is nice to see but what baffles me is all the names that are now on the daily sheet. To support your club why not sign up every time you are in. It seems to me members are coming out of the woodwork to sign but our sales are still down. Please support us better than that.

We will be getting winter jackets to be put on display very soon. They are very similar to the jackets we sold 8 years ago. John Perron from Guelph is selling them for \$100.00 which includes creasing and tax. These jackets are top quality. John is a past member of this club. For any questions please contact me.

On behalf of Pat and myself have a Merry Christmas and a prosperous New Year.

**PRESIDENT
BOB MILLER**

PAST PRESIDENT'S REPORT

I represented the club at the 2008 Annual General Meeting of the R.C.N.A. in Oshawa at the end of September. Copies of the fall Yard Arm are at the club as well as application forms for the 2009 Reunion to be held in Edmonton. The HMCS Sackville is in need of donations for up keep and being offered is a trustee membership for a fee of \$75.00 per year, a Member of the Ship's Company for not less than \$25.00 per year. Visit the website at www.hmcossackville.ca or by e-mail to secretary@hmcossackvill.ca for more information.

Discussed was the creation of a National Service Officer and Shipmate Fred Sinner, Niagara Region, will likely be the Service Officer R.C.N.A.. The 2008 Club of the Year award went to Manitoba North Shore and Member of the Year is Shipmate Fred Skinner, Niagara Region. Congratulations. The 2009 Annual General Meeting will be hosted by the K-W Naval Association September 26 – 27, 2009 and we look forward to seeing our shipmates from across Canada once again in Waterloo.

Many thanks to Shipmate Harold Curzon for his many years as our R.C.N.A. representative. Harold did a good job for the club at the National level and I will try to maintain our status there.

Thanks to all that participated in Sports Day at Woodstock Navy Club. It was a great day, although wet for the outdoor activities, and we were successful in returning some hardware back to the club. Congrats to the medal winners who I am sure will be recognized elsewhere in the Log.

Tagging for the poppy drive commences for us on November 6th through November 8th from 6:00 PM to 8:00 PM on the 6th and 7th and 9:00 AM to 8:00 PM on the 8th. Anyone with time to help tag or drive the cadets can contact me and we will provide you with an assignment.

The fall is shaping up to be busy and we need it to be to meet expenses as nothing goes down in price! Support your club, we would love to see you.

**PAST PRESIDENT
MIKE EDWARDS**

SICK AND VISITING

My report will be on the short side as most members are staying in pretty good shape. Our shipmates who have been on the sick list for a wee while now are all holding their own.

I made a few house calls as well as phone calls since the last log. I spoke to Larry Boyle on the phone and he was saying his pain medication is now giving him a bit of relief from the pain he was experiencing. He had a bad fall in his home and had quite a bruise on his head and some on his face. I believe that was sometime in early September so I hope things will improve for Larry. In early October I dropped in on Larry, but he was not home when I was doing house calls on the way to the Chapelle's.

We had a short visit with Myles and Dorothy as the pups were in the backyard. Myles is doing okay but has some long sessions when he is taking the dialysis treatment. They both seem to be holding their own.

Now to the two Jims: Logel and Bowes. Both are in good spirits and they as well are coping with their health problems. Don't forget to take a treat for Sydney if you drop in on Jim Logel. You'll have a friend for life. By the way, Jim, the other Jim was glad to go back to a full loaf as well as you were.

While up in Listowel last week I met Jim and Shirley's son, Mark, who was home for a couple of weeks over the Thanksgiving holiday. Fine young man. I believe he is a mountain climber and he showed me a picture of himself at 6000 ft. level on some mountain. Boy, I get dizzy on the ninth rung of a six foot ladder! By the way, Mark is from Calgary, Alberta.

Our condolences to John Forget on the passing away of his Mother in early September.

I wanted to check on Jim Matthew and left a couple of messages on his son's answering machine but he did not return my calls. I will check with him at a later date.

Getting back to dogs, my son #3 was here for Thanksgiving holiday and he has just got himself a new dog after the loss of his Miniature Doberman. This one will give our friends with the big dogs a run for their money. For some reason he now has a Bluetick Coonhound. She is just four months old and her head is on a level

with our kitchen table. Kind of scrawny looking right now but she will put on weight before long. I can just see her out in the backyard baying at the moon or a coon. Oh well, that's life.

It's that time of year again and I hope everyone has a very healthy Merry Christmas and a good New Year. Remember your shipmates who are on the sick list in your thoughts and prayers.

All the best, stay healthy.

**SICK & VISITING DIRECTOR
DON BALCARRAS**

GROUND'S

Ahoy Mates! Well, the colder weather is upon us and that means the days are shorter and the snow gets deeper. Hopefully we won't get hit too hard this season. I'm getting everything prepared to battle the elements...salt, snowblower maintenance, shovels, etc. I'm also hoping to put the memorial out front of our club for Remembrance Day, weather permitting. All in all it should be challenging!

Finally, I'd like to take this opportunity to wish all our club members and their families a very Merry Christmas and Happy New Year with health and happiness to all. Till next time, mates!

**GROUND'S DIRECTOR
TERRY HARTMAN**

SERVICE OFFICER

Our awards dinner was held at Golf's on September 11, 2008. Our thanks to the 16 Officers and Directors who voted, to those that did not bother we may change the procedure on invitations.

The President Award went to Brent Jantzi, our Ways and Means Director. Brent has been looking after the horse races on Saturday and at our picnic and has come up with a few innovations to make the day more interesting and bring in more revenue. A well deserved award, but he is in need of help. If you can assist, please contact Brent for what's needed.

Marilyn Babcock received the Cock of the Walk award for her work in the kitchen, often coming in on her own time to set things up, do the shopping and see that sandwiches are at the bar when other ladies are not available.

Appreciation Certificates went to Lillian Boehm, Charlene and John Wastell and Mel Barrie. Lillian helps out with the races and meat draws and has provided the desserts at funeral receptions at the Club and helps in the kitchen when she can. John and Charlene have been looking after the Saturday breakfast for some time and Charlene also makes sure sandwiches are at the bar when Marilyn or other ladies can't make it. Mel Barrie has also been looking after the breakfast with his wife's help. We have lost a few of our kitchen staff through retirement and the unfortunate passing of Alice Mireau. These four members are not on the Executive, but have stepped in to help out at a critical time along with a few others that did not receive awards. Their assistance is really appreciated and speaks well of the Membership.

Our Memorial is being brought up to date thanks to Lynn Edwards and Gary Sparks. Unfortunately, I will not be available for the Poppy sales but Mike, Bob, and Jason said they would help. If you wish to assist, we will need drivers for the Cadets on Thursday and Friday evenings from 6:00 PM to 9:00 PM and Saturday from 9:30 AM to 8:00 PM.

**SERVICE OFFICER
JACK GOUGH**

NASCAR POOL

Hey race fans! The end of the season is nearing soon. The banquet for those of you in the Nascar Pool this year will be on November 22nd starting at 12:30 PM. For the first time, the kitchen will be open for burgers, fries, hotdogs, etc. Please use this opportunity for food or we may not get the chance again.

As in past years, our prize table for non-money winners will be available to all people in the pool that are in attendance. There will also be 3 prizes to be raffled off for a small fee. Following our awards, the regular Saturday horse races and meat draws will take place, so stick around and try to win some money.

LADIES AUXILIARY PRESIDENT'S REPORT

Hi Ladies. The months just keep passing us by. It is hard to believe that it is, once again, time to submit another Log report. September and October were fairly busy months with the next couple of months being just as busy.

Many thanks for all of the helping hands in the Galley. Keep up the good work everyone!

Congratulations to Brent Jantzi who received the President's Award. Congratulations to Marilyn Babcock recipient of the Cock of the Walk Award. Well deserved Certificates of Appreciation went to Mel Barrie, Charlene and John Wastell and Lillian Boehm.

Food Bank Donations came to a total of 113 lbs collected since the beginning of September. Way to go! Keep them coming in.

To commemorate the sacrifices of all the men and women who have served our country, both past and present, please make it your goal to attend at least one of the Remembrance Day Services.

On Sunday November 9th there will be a short memorial service at the Veteran's Green Park at 9:00 am. Everyone is welcome to attend. Also, Remembrance Day Service in Elmira in the afternoon. Tuesday, November 11 Remembrance Day Service at the Waterloo Cenotaph. See Pomp & Circumstances Report for times.

K-W Sailor Girls "Relay for Life" Team were very successful in June 2008. Thanks to the great support we all received from everyone. We are looking ahead in order to be just as successful in June 2009. To start things off we will be running a 50/50 draw every Friday evening at 6:30 pm. Tickets can be purchased any day of the week from the bar and you **do not** have to be present to win. All proceeds are going towards "Relay for Life" for Cancer. The more tickets sold the bigger the pot.

Ladies we are, once again, looking forward to the Auxiliary Christmas Dinner which will be on Wednesday December 10th at 6:00 PM. Our one day that the Men look after us.

It seems somewhat premature, as we watch the colourful leaves falling, however, this is the last log until January 2009, and so I wish to extend, from my family to yours, a very Merry Christmas and a prosperous New Year.

SICK & VISITING

I recently phoned Claire Ooms who had an operation. She is doing fine and she asked me to say Hi to all you ladies out there who are members of the Ladies Auxiliary as well as those of you who are not members. So, "Hi, everyone" from Claire, who is at home recuperating. Claire is not out of the woods yet as she has an appointment to see her Doctor to find out what the next step will be, if any.

Our condolences to Dorothy McHugh and her family on the loss of her son, John. He was loved by his family, friends and co-workers.

Don and I went to see Dorothy Chapelle and her husband Myles. Dorothy is doing better, but she is still on oxygen and still gets breathy when she does anything strenuous around the house.

Dear Ladies:

The month of November is our craft and bake sale. We need to get our hands busy. The month of December is our Christmas dinner. Time to enjoy that wonderful meal that is prepared for us.

We had a good time at our first bid euchre in September. Sorry we missed you. If you missed us again in October, please join us on Thursday, November 28th at 7:30 p.m. at the Navy Club.

**SOCIAL DIRECTOR
ISABEL SMITH**

THE GALLEY

September was quite a busy month with a catered wedding, a convention luncheon and also a banquet. October was equally busy with Navyfest Weekend, a wedding, St. Catherines Navy Club Bus of 45 people for dinner and the Support the Troops Fundraiser (which the ladies helped cater). All that, as well as our regular Friday Lunch and Dinner, Saturday Breakfasts and Spaghetti Nights. But it could not have been accomplished had it not been for the many, many helping hands. We thank everyone for their help and support so that we are able to keep the Galley open. We are always looking for volunteers to lend a hand, so if you are able and interested please let us know. We could really use help for Friday Lunches (from 10:30 am to 2 pm) or Thursday afternoon to peel potatoes.

Up coming events – Veteran's Green Memorial on Sunday November 9 – Light lunch will be served – Remembrance Day – Chili and then the Christmas Parties

start. Starting with Thursday December 4th, Saturday December 6th – KWNA Christmas Party, Friday December 12 and Sunday December 14. If you can help out, please let us know.

The men of our club have been a great help to us. We just ask them and their helping us out, either cooking or cleaning or other odd jobs. Thanks so much.

Thank you to all of our patrons for supporting the Galley and bringing friends along.

WHY THE POPPY?

A writer first made the connection between the poppy and battlefield deaths during the Napoleonic wars of the early 19th century, remarking that fields that were barren before battle exploded with the blood-red flowers after the fighting ended. During the tremendous bombardments of the First World War the chalk soils became rich in lime from rubble, allowing 'popaver rheoas' to thrive. When the war ended the lime was quickly absorbed, and the poppy began to disappear again.

After John McCrae's poem *In Flanders Fields* was published in 1915 the poppy became a popular symbol for soldiers who died in battle. Three years later an American, Moina Michael, was working in a New York City YMCA canteen when she started wearing a poppy in memory of the millions who died on the battlefield. During a 1920 visit to the United States a French woman, Madame Guerin, learned of the custom. On her return to France she decided to use handmade poppies to raise money for the destitute children in war-torn areas of the country. In November, 1921, the first poppies were distributed in Canada.

Thanks to the millions of Canadians who wear flowers each November, the little red plant has never died. And neither have Canadian's memories for 116,031 of their countrymen who died in battle.

In Flanders Fields

IN FLANDERS FIELDS the poppies blow
Between the crosses row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

By: Lieutenant Colonel John McCrae, MD (1872-1918)

PARTY FOR THE TROOPS

Well.....our 1st PARTY FOR THE TROOPS has come and gone and I hope that by the great showing that we had, it will be the first of many! A special thank you to all those who took the time out of their busy schedules to lend a hand. This was truly a team effort and without the help of each individual, and donor, I'm certain that we wouldn't have been as successful as we were.

Unfortunately due to the short amount of time between the end of the event and the printing of The Log I am unable to provide everyone with exact numbers, but by the next edition, I will have more specific information for you.

For the time being, this is what I can tell you.....the PARTY FOR THE TROOPS had about 115 people in attendance. Those who came out for the night were shown a night full of fun, prizes, dancing and laughter. Tickets for the event were \$10.00 each and entitled the guests to entrance, a light lunch, a silent auction, raffle of about 15 different items, 50/50 draw and glass turkey draw. As well, there were plenty of door prizes to ensure that many people didn't walk home empty handed. Who doesn't like free stuff?!

In the coming weeks, items will be purchased with the money raised to make care packages for men and women who are currently serving in the Canadian Forces overseas. Any money that is left over will be donated to the Military Families Fund which helps the families of CF members in times of need.

Thank you once again to each and every single person, company, or family who in some way made a contribution to this event. Like those serving, it is important that we work together to find positive outcomes in all situations.

I look forward to hosting this event again next year and look forward to each one getting better and better. If you are interested in helping with the assembly of the packages, or would like more information on this project, please don't hesitate to contact me.

Cheers! And Happy Holidays to all.
